- CE AND UKCA MARKING
- MACHINERY AND PUWER
- CPR
- ATEX PRESSURE EQUIPMENT
- AUTHORISED REPRESENTATIVE SERVICES
- TRAINING

We offer a fresh approach and world class support for you and your industry in understanding and applying product and equipment compliance legislation.

The team at **Product Complianc Support** have over 30 years consultancy experience in all aspects of product compliance.

All our consultants are professional engineers who have come to compliance from a manufacturing background and have a reputation for solving clients' compliance headaches in the most effective way possible.

We are happy to offer advice and support in our areas of expertise.

SERVICES WE CAN OFFER YOU:

- Help you navigate the CE and UKCA requirements
- Provide expert support for CE and UKCA product compliance
- Create your CE and UKCA Declaration of Conformity
- Provide immediate support with direct access consultancy
- Identify the legislation applicable to your products or equipment and help you produce a technical file
- Carry out a full compliance assessment of your product or manufacturing plant.
- Train you and your staff in tailored compliance workshops
- Provide an Authorised Representative or Responsible person service in the EU or UK.
